NTC Foundation Announces ARTS DISTRICT Collaborative Grant Recipients

$25,000 awarded in second round of grants to six new projects rekindling creativity in community

San Diego, CA (October 21, 2020) – NTC Foundation (NTCF) is announcing the third round of ARTS DISTRICT Collaborative Grants designed to “welcome the public in,” and invite guests to “reawaken their creativity.” ARTS DISTRICTS Liberty Station’s tenants were awarded a total of $25,000 for 6 new projects to advance the work of the tenants, engage the community, and continue the transformation of the ARTS DISTRICT into a thriving arts and culture destination for the region. The grants process is typically awarded annually but as tenants strive for successful post-pandemic reopening, NTC Foundation offered their second round of grants in 2020. This tenant-centric process included tenants developing the criteria for the grant and voting on the projects that were chosen.

“Our Collaborative Grant program gives us the opportunity to celebrate our tenants and their creative ideas,” said Lisa Johnson, President & CEO of NTC Foundation. “We are excited and hopeful for the inspiring ideas offered by the tenants selected for the second round this year.”

The following organizations and events were selected for the second-round of 2020 grants.
