The last 100 years of life of Mexico and the world can be appreciated what has been **UNIVERSAL** in its centenary of life.

This afternoon, the exhibition "**EL UNIVERSAL 100 years in the life of Mexico**" was inaugurated , through which several moments of the country and the world that starts with the first copy of the Great Journal of Mexico of that 1 of October of 1916 .

In the historic Liberty Station of the city of San Diego, California, the initiative of the Executive President and the Board of Directors of EL UNIVERSAL, **Juan Francisco Ealy Ortiz** , continues the California Route of the exhibition that has been seen in different venues of Mexico .

The California Route, which started in Tijuana, Baja California, last July, arrived in San Diego, with the most outstanding information covers that has spread EL UNIVERSAL throughout its history.

The exhibition was inaugurated this afternoon by the **general consul of Mexico in San Diego, Marcela Celorio**, accompanied by the director of the **Ealy Ortiz AC Foundation, Enrique Bustamante Martínez** .

The exhibition seeks to show that in Mexico there are institutions like EL UNIVERSAL that have existed throughout a centenary even supporting Mexicans living outside the country.
