LIBERTY STATION

CALL FOR ARTISTS

REQUESTS FOR QUALIFICATIONS

INSTALLATIONS AT THE STATION

Submittal Deadline: October 30th, 2018

INTRODUCTION

The NTC Foundation, which oversees the development and operation of 26 buildings at ARTS DISTRICT Liberty Station, is seeking Qualifications from practicing Artists or Teams of Artists to create temporary, site-specific outdoor Installations in 2019.

ARTS DISTRICT GOALS

GOALS for the ARTS DISTRICT are to be:

- 1) A Center for Arts, Culture & Creativity offering Innovative Experiences to residents and visitors;
- 2) A Creative Hub for San Diego's nonprofits, artists and creative businesses;
- 3) A Dynamic Destination for Children, Students, Residents, Visitors and Artists;
- 4) A Historic Showcase that honors our city's Heritage and this former Navy site

PROGRAM OPPORTUNITY DESCRIPTION

Installations at the Stations is an ongoing program of the NTC Foundation that seeks to artistically transform the historic 100-acre former Naval Training Center site at ARTS DISTRICT Liberty Station.

Artists will work with the community to use art to transform the monochromatic, rigid former military base to create a new sense of place that reflects the cultural vibrancy of the San Diego-Baja border region.

Using community input, as well as the insight of ARTS DISTRICT artists and arts organizations, we will commission installations that will highlight the site—visually, culturally, historically - in artistic ways to engage, excite and educate visitors, and enhance its Spanish Colonial Revival style of tile roofs, graceful arches and arcades, with a sense of scale and proportion that lends history and dignity to the site.

The Program will encourage artists to use new disciplines and technology reflective of the region, and focus on contemporary issues to encourage artists to create pieces that encourage audience participation.

Administered by NTC Foundation’s Art in Public Places Committee, proposals contracted between \$3,500 - \$15,000 will be awarded with a goal of up to 5 projects selected per year. The works can be a short term installation or be on display for several years. Artist will be asked to provide liability insurance prior to installation.

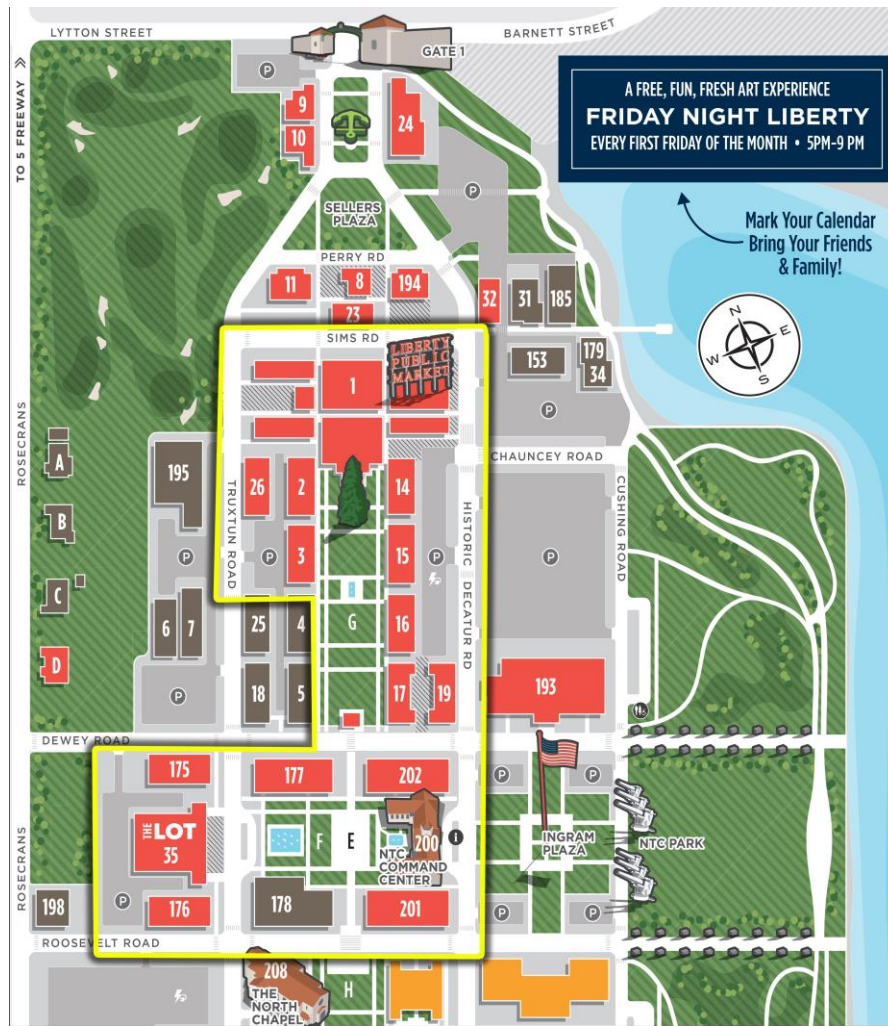

Funded activities could include - but are not limited to- outdoor sculpture, lighting projects, digital art, video art, public events or auditory artworks.

All projects require a Community Engagement component that the artist initiates with the assistance of the NTC Foundation staff.

We encourage all artists from those emerging in their career to those with a long history of experience. Partnerships with resident ARTS DISTRICT nonprofits, artists or businesses are encouraged but are not required.
